

# EUDE Business School and OAS launch 620 scholarships for future global leaders

- EUDE Business School has partnered with the Organization of American States (OAS) to offer 620 scholarships through the PAEC OAS-EUDE Scholarship Program, providing aspiring professionals from OAS member states the opportunity to pursue a master's degree with EUDE, rather online or in its campus in Madrid, Spain.
- Applications are open until April 7, and selected candidates will be announced on April 21, following a two-week review process.

Madrid, March 18, 2025

As part of its ongoing mission to expand global access to high-quality education, **EUDE Business School** has launched, for fourth consecutive year, a strategic agreement with the **Organization of American States (OAS)** to offer **620 scholarships** for professionals across all the American continent. These scholarships provide complete or partial **tuition coverage** for select **European master's programs** designed to equip students with the skills and expertise needed to thrive in today's dynamic job market.

## Flexible Learning: On-Campus and Online Scholarships Available

The program offers both **on-campus and online scholarships**, ensuring accessibility for professionals across different regions. While most of the **620 scholarships** cover **85% of tuition for online programs**, the initiative also includes **full 100% scholarships** and significant financial aid for students who wish to attend to the **EUDEcampus** in Madrid, Spain.

- **20 full 100% scholarships** for online master's degrees in Renewable Energy and Environmental Management.

- **460 scholarships covering 85%** for online master's programs across multiple disciplines.
- **100 scholarships covering 70%** for online master's programs in Building Information Modeling (BIM).
- **40 scholarships covering 70%** for on-campus master's programs in Madrid.

## Empowering the next generation of leaders

Miguel Hermida, **CEO of EUDE Business School**, emphasized the impact of this initiative: *“Partnering with the OAS allows us to break down barriers to higher education and create real opportunities for talented professionals in all the American continent. By offering these scholarships, we’re not just providing access to world-class education—we’re empowering future leaders to drive innovation and economic growth in their home countries.”*

The **PAEC OAS-EUDE Scholarship Program** is designed for professionals seeking to enhance their expertise in **business, innovation, sustainability, and emerging technologies**. With a strong emphasis on **practical learning and industry relevance**, the master's programs equip graduates with **high-demand skills**, preparing them to make an immediate impact in their careers and industries.

## How to apply

Interested candidates can apply for one of the **620 scholarships** by completing **this online application** before **April 7, 2025**. Selections will be based on **academic background, professional experience, and the potential for positive impact in the applicant's community**. The final list of recipients will be announced on **April 21, 2025**.

With this initiative, **EUDE Business School and the OAS** reaffirm their commitment to **expanding access to higher education**, creating new paths for ambitious professionals to gain **world-class training and advance their careers** in an increasingly competitive global economy.
